

2015 was a year to build...

Building our team

Michael Pritchard joined the bank as teller. Michael's first connection with the bank was as a mortgage customer, and now he's on the other side of the counter. "I always received great service here, and I look forward to offering that level of personal care to others," Michael says.

Building our building

Planning started on the renovation of the building's third floor which will become an income producing apartment with fabulous views of Bar Harbor and the waterfront.

Building a strong foundation

To facilitate the growth of online banking and increasingly complex financial reporting BerryDunn became the bank's new independent auditors.

Building our connections

Building new business services

This was a ground-breaking year at Bar Harbor Savings and Loan. We introduced personal as well as commercial checking accounts, and have created the infrastructure for online banking and debit cards. Customers have been requesting these services, and to stay competitive this was the year to make that happen.

A Message from the President

Good afternoon and welcome to the 2016 Annual Meeting of the Bar Harbor Savings and Loan Association. It is a pleasure to announce another very successful year with record earnings and strong asset growth.

2015 was a "building" year in so many ways. Planning started on the renovation of the building's third floor which will become an income producing apartment with fabulous views of Bar Harbor and the waterfront. To safeguard all of our renovations and records, installation of a state of the art sprinkler system has begun on all four floors.

We started offering checking accounts at the end of the year to increase our core deposits and to attract new business.

Vicky Vendrell was appointed as Assistant Clerk of the Board in recognition for her extensive documentation work required for board meetings. Michael Pritchard was hired as a Teller. He has been a long term customer of the bank and is a welcome addition.

I would like to specifically mention that Vicky Vendrell and Nancy Sawyer have gone above and beyond, put in extra hours in planning, meeting with vendors and setting up the checking accounts, debit cards and on-line banking system. It truly amazes me what we do with only seven employees, and,

of course, with help from our "hands-on" Board of Directors. Our efficiency rating is one of the best in the state according to the Maine Bankers.

Our goals for 2016:

1. Continue to expand our market share in commercial loans
2. Aggressively promote the checking accounts, debit cards and online banking
3. Complete renovations of the building including the 2nd floor apartment
4. Evaluate audit and compliance functions to determine if better suited to outside consultants or an expansion of staff

We welcome BerryDunn as our new auditors for 2015. A copy of their independent auditor's report is available at the bank.

Thank you for continued support and guidance. We look forward to another banner year.

Sincerely,

William R. Weir, Jr., President & CEO
